Dear Mr. May,

Latchmore stream restoration project: public concerns

Thank you for your letter of 2 March, and for the clarification regarding the Verderer's minutes. I do apologise if we have misunderstood the rather complex process and inter-relationships involved.

However, I do seek your assurance that this correspondence will be brought to the attention of both the Court of Verderers and the HLS Board at the earliest opportunities, so that they may both be able to reconsider the status of this project in the light of the new information that we have provided, and the questions that we have raised.

Yours sincerely,

Professor John Shepherd CBE FRS (Chair: the Friends of Latchmore)
